Patient utilization history

“ Bottom line - we’re all going to continue to share patients. And we’re going to need to talk about them. Let’s get started. ”

— Adrienne Seiler, MD, Medical Director, Pioneer Valley ACO and Post Acute Baycare Health Partners

Use PatientPing to

- ✓ Track patients whenever, and wherever, they receive care
- ✓ Improve outcomes through timely interventions
- ✓ Increase physician engagement across continuum of providers
- ✓ Reduce costs while improving quality of care and patient experience
- ✓ Strengthen engagement with preferred acute and post-acute provider networks
- ✓ Monitor high-risk patients and effectively communicate their needs to providers and community partners
