Patient utilization history

“ Bottom line - we’re all going to continue to share patients. And we’re going to need to talk about them. Let’s get started. ”

— Adrienne Seiler, MD, Medical Director, Pioneer Valley ACO and Post Acute Baycare Health Partners

Use PatientPing to

- ✓ Increase referrals through real-time tracking of your patients post discharge if they transition to the hospital, SNF, HHA, LTACH, etc
- ✓ Apply timely interventions critical to succeed at care improvement initiatives (e.g. readmission reduction, bundled payments, etc.)
- ✓ Deepen referral relationships and community partnerships
- ✓ Quickly identify patients’ full care team to facilitate faster intake, safe care transitions, and seamless discharge planning
- ✓ Collaborate with provider partners to optimize care quality and patient experience
